

THE AIR RAID WARDENS OF SITTINGBOURNE & MILTON REGIS

Names, addresses and dates of birth transcribed from the Sittingbourne & Milton
ARP Wardens Duty Books

The 5 books were kindly loaned to Sittingbourne Heritage Museum in 2006 by Brian Wakeman

Transcribed by Helen Allinson 2007

NOTES

Dates of undertaking & receiving training badges are given in these books but have not been transcribed. The only other information given that has not been transcribed is whether the warden was a messenger.

Most individuals have two initials for Christian names beside their surnames, in some cases only one initial has been transcribed

There is a considerable overlap of information between the various notebooks so some individuals appear several times in different books.

The Certificate is given as a 2 or a 3 but nothing is known about this.

*Where the name has been struck through in the book, it is marked here with *st*

After this list on the inside cover the rest of the hard cover note book is filled with pages of wardens' signatures followed by the time they signed on and off. The period covered is 4th September 1939 to 14th September 1940.

At the back the rota and times of duty are shown. There is a list of first aid equipment, very limited indeed, and a list of first aid outfits issued.
